Dear Bob:

On behalf of the Moraga Town Council, Town staff and the entire Moraga community, please accept our sincere condolences on Jeanette's passing. We are all saddened by the suddenness of her passing and feel the loss of her wisdom, friendship and compassion.

While I was unable to attend the Jeanette Fritzky Tribute Walk, I'm told it was a great success, raising more than \$12,000 for the American Cancer Society. I've heard my Council colleagues, and many others who knew and loved Jeanette, say that they were grateful for the opportunity to honor her and mourn her loss. Jeanette is surely smiling down at everyone, knowing they came together to raise awareness and funds for what is both an important and common cause.

Jeanette was so generous with her time, and her colleagues in the numerous regional organizations to which she belonged continue to reach out and let us know how much they respected Jeanette, and what she meant to them. In that regard, I am enclosing here a copy of a recent letter from the League of California Cities East Bay Division in which Jeanette was an active participant.

Please accept our thanks to you and your family for sharing Jeanette with us as she volunteered and served the Town. She is greatly missed and we are here to support all of you during this difficult time.

Sincerely,

Dave Trotter
Mayor
