

Cornhole Rules

Leisure Sport Triathlon

Boards are placed 27 ft. apart

When tossing, players must remain in the 4X3 ft. pitcher area on either side of boards. Feet must stay behind the front of the board.

To see who starts, play rock-paper-scissors. Winner's team goes first. Teams take turns tossing each bag.

Cancellation Scoring:

After all bags are tossed, total the points for each team.

3 points for each bag completely through the hole

1 point for each bag resting on the board

0 points if bag touches the ground at any point

Team with most points is awarded net difference in points between teams for the frame.

Example

Team 1 has 7 points

Team 2 has 5 points

$7-5=2$

Team 1 is awarded 2 points for the frame

First team to 21 points wins.

The team who scored in the preceding frame pitches first in the next frame. If neither team scores, the team who pitched first in the preceding frame shall retain first pitch in the next frame.
